

Anderson, IN—U.S. Congressman Mike Pence announced today that the Department of Transportation's Federal Aviation Administration (FAA) awarded the Connersville Board of Aviation Commissioners a grant in the amount of \$318,295 to help design and construct a new terminal apron and building at the Mettel Field Airport in Connersville, Indiana.

"I congratulate the Connersville Board of Aviation Commissioners on obtaining this grant to improve its facilities," said Pence. "The new apron and centrally-located building at the Mettel Field Airport will be appreciated by all of those who use the airport."
